

ROANOKE VALLEY COMMUNITY BAND NEWS LETTER

Greetings Band :

March 4, 2011

Our new RVCB Hand Book is at the printers and should be ready soon.

Wilbur and I met with the people at the Jefferson Center and worked out the plans for our June 7th concert. This will be the first time for our band to play at the Jefferson Center and we want to make it a special concert. It would be nice if we could have one concert a year at the Jefferson Center.

From time to time, some of our band members make donations to our band , which help with our finances. This year we will be able to give two band scholarships as a result of these gifts. If you would like to make a donation at any time, just see Susan Kraterfield. Remember that your donation is tax deductible.

I would like to give a special THANKS to Mitzi Willingham and Curry Copy for doing such a good job on our various printing jobs. Tickets, posters, programs, hand books etc.

We have contacted Blackwater Recording Inc. about recording our March 15th. concert. They do all the recordings for the Roanoke Symphony. They sent me a sample CD recording of different bands and choirs that they had recorded and it was very good. I believe Blackwater Recording will provide a very good quality CD at a reasonable price.
