

ROANOKE VALLEY COMMUNITY BAND

APRIL NEWS LETTER

Greetings Band;

Our Pops Concert was very well received. You guys and gals did a great job.

Sherry Kessel has the CD's of our Pops Concert. It sounds great. If you ever receive a bad CD, please return it to Sherry for a replacement.

In accordance with our By-Laws I have appointed a nominating committee to nominate candidates for President, Vice President, Secretary and Treasurer for our next season.

We are making plans for our Spring Concert at the Jefferson Center. This year we will be using the Band Shell which will help our sound to the audience and for us on stage. We are also making plans to have a Band picture made at this concert.

The Band roster is being up-dated. If you have any changes in your information or you are not planning to play with us any longer, please let Dixon Smiley or me know. Also please return any music you may have.

I am attaching an article which was published in the Association of Concert

Bands magazine. This will be the first part. There will be two more to follow. Please take time and read the article.

If you are not participating in our Kroger fund rising program, see Susan

Kraterfield for information. This program is helping our Band with operating funds.

UPCOMING DATE:

June 5th, Spring Concert-Jefferson Center

June 14th, Explorer Park---???

June 26th. Band Picnic
