

Dear Roanoke Valley Community Band Supporters,

As we enter a new year of making music for you, the people of the Roanoke Valley, we are in great need of support from our patrons and admirers. We humbly appreciate your attendance at our concerts, the word-of-mouth publicity, and individual loyalty expressed over the years.

The band has been making music for the Roanoke Valley since 1987 and continues to work and play together, while encouraging new members of all ages and skill levels to join us. We invite you to visit our website, [rvcb.org](http://rvcb.org), and like us on Facebook - this assures you will be among the first to know about our upcoming concerts and events. The band currently rents a climate-controlled storage area to house our music library and band-owned instruments. Our storage area and insurance expenses are a substantial cost to us each year. In addition, the band also likes to periodically add to our music library more contemporary musical arrangements.

Unfortunately, all funds that were previously authorized from local governments have been eliminated. We are therefore writing to encourage you to become a financial supporter this year. **Our band is a 501(c)3 non-profit organizations and donations to the band are tax-deductible.** Your monetary contributions, now more than ever, are vital to the continued operation and success of the Roanoke Valley Community Band. It is possible for you or your organization to be listed as a donor for publicity purposes as well on our upcoming concert handbills and/or the website. Won't you consider supporting the arts in our Valley with a generous gift? We are thanking you in advance for your commitment to local development.
